The Chair and Vice Chair recommend the following:

**Creative Musical Participation £300**

We recommend this application is refused for the following reasons:

The main financial benefit is a profit generating business for the applicant.  
There are numerous choirs in the area.  
The attendance numbers are low- if £6 per session and hire c£27/28 and no profit.  
The income sheet does not appear to show grants – although the bank statement does- from Dorchester TC and Blandford Rotary Club- the grant application has this page missing.

**Dorset Youth Marching Band £2,000**

The Vice Chair discloses that he is the Chair of this organisation, but he does not receive any payment or financial benefit.

We recommend this application because:

The application accords with our priorities  
The band is an integral part of Town events  
The band supports other organisations in the Town.  
There is a clear plan for the expenditure and the organisation is contributing equally.

**Wimborne -Valognes Twinning Association £500**

We recommend this application because:

The application accords with our priorities.  
There is a clear plan for the use of funds and is virtually matched by the association.  
The direct benefit will be to promote the organisation and the Town.

**EDPCA £6,000**

The Chair discloses that she is a Trustee of this organisation, but receives no payment or financial benefit.

We recommend this application because:

The application accords with our priorities.  
There is a need for funding with a shortfall of £200,000 having to be raised each year from grants.  
Wimborne has the advantage of an office in the heart of town.  
On 20/21 figures we would contribute £27.27 per person receiving help.
